

Covid Guidelines for LSASC Training Pools

Further to the easing of restrictions as from 19.07.2021, we have been liaising with our pool providers and SE about future arrangements for use of training facilities.

Please note, we are subject to meeting the requirements of our individual pool operators and these vary between different facilities.

There will no longer be a requirement for a Covid Officer to be present at training sessions.

Parents/ Guardians and Carers are reminded of the drop off and collection policy for swimmers, a copy of which can be found on the Club Website.

This guidance will be updated as and when we are notified by pool providers or SE of required changes.

As at 22.07.2021, the following is now in effect:-

Newbold Common Leisure Centre:-

- All previous restrictions removed
- Spectators allowed
- Changing facilities available for use

St. Nicks Leisure Centre

- All previous restrictions remain in place
- Use of face masks for all members of appropriate age mandatory on attending & leaving the Centre
- Swimmers must attend beach ready
- No changing room facilities available

King Henrys School

- All previous restrictions removed
- Spectators allowed
- Changing facilities available for use

Warwick Boys School

- All previous restrictions largely remain in place
- Use of face masks for all members of appropriate age mandatory on attending & leaving the Centre
- Swimmers can now enter the Centre on their own through the main entrance and should meet in the green gym
- Swimmers must attend beach ready and enter the pool through doors half way down poolside
- Changing facility available post training (subject to Coach discretion)

Alan Higgs, Coventry

- All previous restrictions removed
- Spectators allowed
- Changing facilities available for use
- Swimmers can enter the venue via the main reception

Whilst we are mindful of the removal of restrictions, we are also mindful of the prevalence of the virus locally and the concerns to minimize the risk of exposure/ spreading the virus.

We would ask all members to be respectful of each and everyone's personal space and of any individual decisions concerning the wearing of face masks.

The Club would wish to thank all members for their ongoing support and co-operation throughout in keeping all our members as safe as possible.
