

Rejuven8 Physiotherapy

**Swim Strong
Fantastic Fundamentals**

Physio Led Sessions

Why Rejuven8?

Our new Swim Strong 2 hours intensive class is designed to provide the tools to improve the shaping of fundamental swim specific body tension positions, strengthen streamline & create a body connection all with the aim of enhancing performance in the water, using a variety of exercises.

Classes are run in a comfortable & relaxed environment in a purpose built facility. They are suitable for achiever & development level swimmers who wish to improve their skills.

Make this swim season a strong one!

There's ample free parking & all equipment is provided.
